

# Romans 12:1&2

# Keep it Mind

## Verse 1

We don't offer animal sacrifices to God like they did in the Old Testament. But we should still offer a sacrifice. What should we give to God?

What should be our goal in everything we use our bodies for?

Why does it make sense to do this?

## Verse 2

What should we NOT be like?

What is "the world"?

In what ways should we be different?

How can we be different from the world?

Why should we be different from the world?

Describe God's will.

Do you believe that God's will is all those things?

Why is a renewed mind important in discerning God's will?

How can you develop a mind that is different from the world?
